

How to listen

Some text you can include on a “how to listen” page of your podcast website.

Apps and directories

- Amazon Music
- Apple Podcasts
- Castbox
- Google Podcasts
- Overcast
- Player FM
- Pocket Casts
- RadioPublic
- Spotify
- Stitcher

Listen on an iPhone or iPad

To listen to our latest episode and follow the podcast on an iOS device:

1. Open the Podcasts app on your phone.
2. Tap the “Search” tab.
3. Enter [the name of our podcast] and tap Search.
4. Look for our name and artwork in the Shows section, and tap the artwork.
5. To hear our latest episode, tap the “Latest episode” button.
6. To get new episodes delivered to your device as soon as they’re ready, tap the + button in the top right-hand corner of the screen.

Listen on an Android phone or tablet

To listen to us using the built-in Google Podcasts app on your Android device:

1. Open the Android app drawer.
2. Open the Google Podcasts app.
3. With the Explore tab open, enter [our podcast name] in the Search field, and tap Search.
4. Look for our name and artwork. It should be in the section above the “Episode results” section. Tap our artwork.
5. To get new episodes delivered to your device as soon as they’re ready, tap the Subscribe button.
6. To hear our latest episode, scroll past the podcast description to the list of episodes. The latest one is at the top.

Listen to us on Spotify

If Apple or Google's podcast apps aren't your thing, or you're already a Spotify user, you can listen to our podcast whether you have a premium account or a free one. To listen to and follow our podcast:

1. Open the Spotify app.
2. Open the Search tab.
3. Search for [our podcast name].
4. Look for our name and artwork in the "Top result" or "Podcasts" section. Click the artwork.
5. To get new episodes delivered to your device as soon as they're ready, click the Follow button.
6. To hear our latest episode, look to the "All episodes" section. Our latest episode is at the top.
